

**REMARKS**

Claims 1-11 and 13 are all the claims pending in the application. Claims 12 and 14 have been previously cancelled.

***Claim Objections:***

The Examiner has objected to claims 1, 11 and 13. To overcome this objection, Applicant has so-amended these claims to remove the bullet points, in accordance with the Examiner's request.

***Claim Rejections Under 35 U.S.C. § 112:***

Claims 1-11 and 13 are rejected under 35 U.S.C. § 112 (second paragraph) as being indefinite. Claims 1, 11 and 13 contain the phrase "and/or" which render the claims indefinite. To overcome this rejection, Applicant has amended the claims by stating that the adjustment mechanism (30) can be adjusted by "moving the arm engagement point (18), the frame engagement point (19), or both the arm engagement point (18) and the frame engagement point (19) along an adjustment track (31)."

***Miscellaneous Changes:***

Furthermore, Applicant has amended claims 1, 11, and 13 to recite "frame engagement point (19)" instead of "frame engagement point (18)" to fix a clerical error.

***Allowable Subject Matter:***

Claims 1-11 and 13 would be allowable if rewritten or amended to overcome the rejections under 35 U.S.C. § 112 (second paragraph). In view of these amendments discussed above, Applicant believes that this application is in condition for immediate allowance.

***Conclusion:***

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
